Box PATENT APPLICATION  
Washington, D.C. 20231

Sir:

In order to comply with Applicant's duty of disclosure pursuant to 37 C.F.R. §1.56, submitted herewith on Form PTO-1449 is a listing of documents cited in the International Search Report of Applicants' International Application No. PCT/GB00/02641. A copy of the International Search Report setting forth the portion of each reference considered relevant by the Examiner is attached.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

A copy of the International Search Report setting forth the portion of each reference considered relevant by the examiner is attached. Copies of the documents are not being provided since copies should have been provided directly by WIPO under an exchange program between the PTO, the EPO and the JPO.
